UNITED.

Bridging Global Wisdom With Indian Excellence

Who Are We?

We are United Enterprises. We transform spaces into works of art. Our bespoke interior solutions cater to influential designers and discerning clients who demand excellence.

We bring global expertise and premium products to every project, ensuring an aspirational experience from start to finish.

Our Legacy

A Decade of Excellence

United Enterprises has enjoyed the privilege of being associated with over 700 clients across various sectors and industries in India for more than a decade. We take great pride in our journey and the trust we have built with our partners.

Preferred Partner for IT/ITES

Today, United Enterprises is registered with more than 300 IT/ITES companies in Pune as their preferred partner for the supply of consumables. We have earned a reputation as a trustworthy and reliable vendor partner, known for our quality and delivery adherence.

Core Values

Quality and Innovation

We strive to provide efficient, innovative and high quality engineering services and solutions through brands that lead in quality and push design boundaries

Glocal Network

Access an unparalleled range of premium products sourced from around the world collaborating with the most reliable and seasoned global brands.

Tailored Solutions

Our bespoke approach ensures each project is uniquely crafted to client specifications and designer’s vision.

Reliable Partner

Our industry reputation is built on trust, consistency, and exceptional results. We strive to achieve the same on both end. On the client’s end by continual improvement and efficient solutions.
